Jesus heals Peter's mother-in-law

February 9: Fifth Sunday in Ordinary Time.

You are there

>>What do you do when you see that Peter's mother-in-law feels better? Do you run to get some friend or relative who is sick so that Jesus can cure him or her? Whom do you get?

>>Imagine that you are one of the sick people cured by Jesus. What is the first thing you do when you feel better?

Jesus, your friend, invites you:

>>Peter's mother-in-law got up and served others. Do you serve others gladly? Jesus cured many people of their sickness. What can you do to comfort someone that is suffering?

>>Jesus goes to a quiet place to pray. Do you pray every day?

What am I going to do?

Speak to Jesus and tell him about someone you love who is sick or has a problem. Ask Jesus for help with this person. Tell him what you want to do.

>>For example: *I will help my mom.*

>>For example: *I will visit a sick person.*

>> _____

How will Peter's mother-in-law get better? Jesus will heal her, but you have to help Jesus find his way to her house.
